

Remarks

Please make the foregoing changes before calculating the filing fee in this divisional application. Applicant notes that the claims and title are amended to accord with Group IV of the Restriction Requirement from the parent application (U.S. Serial Number 10/004,054 as filed on October 19, 2001). Additionally, the order of the inventors has been reversed as DeGroot is considered to be the primary inventor relative to the instant application.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "William O'Driscoll". The signature is fluid and cursive, with a large initial "W" and a stylized "O".
